\$449.95

The partial top lifts up and forward to create a versatile work surface so you can browse online or eat dinner while relaxing on the couch.

Create a coastal vibe in your living room with this lift-top coffee table from the Cottage Road® collection. The partial top lifts up and forward to create a versatile work surface so you can browse online or eat dinner while relaxing on the couch. This pop-up coffee table also features hidden storage beneath the top for books, blankets, and more. This living room coffee table features a lower open shelf for storage and display of organizing bins, magazines, a basket of remotes, and more. This coffee table with storage features an easy-glide drawer with metal runners. Above the drawer is a glass display top, providing a unique shadow box look for décor and memorabilia. Finished on all sides for versatile placement, this storage coffee table with lift top will look polished from every angle. Finished in Soft White® with a Lintel Oak® accent, this versatile coffee table will give your home a fresh new look.
