---

This computer desk from the East Rock collection is perfect for your home office needs.

For a simple single pedestal desk that packs a big punch, this desk from the East Rock® collection delivers with a sleek combination of style and function. This desk with open storage features two drawers with full extension slides, perfect for storing extra sticky notes, a stapler, and that stash of breath mints. The lower drawer of this contemporary pedestal desk holds letter or legal-size hanging files so all your most important documents are organized and easy to find. An open shelf for additional storage of books, binders, or other supplies makes this desk the perfect addition to your home. This pedestal desk with drawers is finished on all sides for versatile placement anywhere – it will look great from every angle! Cord management pass-throughs in the back help eliminate wire and cable clutter. Finished in a soft Ashen Oak™, the top is brilliantly accented with high-wear DuraGraph® faux white marble patina.
