

FARMHOUSE ROLLING KITCHEN ISLAND - WHITE W/RUBBERWOOD TOP

\$499.95

This kitchen island has white base and a beautiful top done in natural wood tones.

• Features:

- Create a Cozy Dining Spot: Transform this kitchen island cart into a casual breakfast bar or a cozy dining area for family and friends. The extendable countertop provides a comfortable seating space. When not in use, simply fold down the leaf for a more compact and space-saving design.
- Stunning Rubberwood Surface: Our kitchen island on wheels boasts a durable and smooth rubberwood tabletop, providing an elegant and sturdy work surface for meal prep, serving, or additional storage.
- Make Kitchen Items at Handy: Store appliances, snacks, and more on the wide countertop. The roomy drawers on full extension metal slides and double-door cabinet provide hidden storage for culinary tools. Adjustable shelves for customizable storage space.
- Easy to Move Around: This mobile kitchen island sits on 4 hidden wheels at the bottom that offer effortless maneuverability for a totally concealed look, providing spices, oils, and sauces right next to the stove. Lock the two brakes on the mobile cart to prevent the ingredients from rolling away.
