Bring timeless charm and practical style to your home with the Sunny Designs 3515BUC. Featuring a warm, classic aesthetic, this piece is designed to complement a variety of décor while adding an inviting and polished touch to your space. Its versatile styling makes it an excellent choice for creating a comfortable, coordinated interior.

- **Manufacturer:** SUNNY DESIGNS
- **Finish:** Umbra and Cinder
- **Material:** Mahogany and mindi solids and veneers
- **Product Type:** Fireplace
- **Features:**
  - Architectural Drama: Defined by a distinctive arched silhouette and an eye-catching multi-tonal color palette.
  - Contrasting Finishes: Expertly combines a deep Black Magic outer structure with rich, wire-brushed Umbra and Cinder wood grain backdrops.
  - Dual-Wood Construction: Built from a premium mix of solid mahogany and mindi wood solids combined with high-grade veneers.
  - 42" Fireplace Accommodations: Specifically tailored with a grand central cavity designed to house a massive 42-inch electric firebox insert.
  - Robust Scale: Boasts a substantial 78-inch wide top surface that effortlessly anchors large-

format flat-screen televisions.
- Custom Fireplace Core: Can be bundled with either a sleek 42" Crystal Firebox or a traditional Log Firebox Insert.
- High-Powered Infrared Heating: Utilizes an advanced infrared quartz element to deliver efficient zone heating.
- Total Ambience Control: Features adjustable multi-color flames, automatic temperature regulation, separate flame-only effects, and an infrared remote control.
