

**HALL CONSOLE - WHITE (I 2451)****\$179.95**

Transitional design can be used as a sofa or hall console table with an open bottom shelf ideal for storage or to display your favourite accents.

Add a stylish touch that will complete your living space with this sleek, transitional style hall console table finished in a fresh white. The curved half-moon shape is complimented by the sturdy tapered legs. Ample surface area and a two-tiered design make this console table perfect for displaying your favourite decorative items.
