

HARVEY PARK WRITING DESK (428188)

COMING FEBRUARY 2026

Enhance your home office space with this desk from the Harvey Park® collection.

“Work” never felt so easy. Enhance your home office space with this desk from the Harvey Park® collection. This modern home office desk features a spacious work surface that offers room for all your desk essentials – laptop, books, papers, your planner, and most importantly, your to-do list. This computer desk with storage features an easy gliding pencil drawer with safety stops for storing close-at-hand items like pens, sticky notes, and more. A file drawer with full extension slides holds letter-size hanging files, making this metal and wood desk the optimal place to store your most important files. This desk with file drawer is finished on all sides, so it will look polished from every angle. A Jet Acacia® finish with black accents and powder coated metal base are the details that send this home office desk to the top of your “to buy” list.
