

HIGH BACK EXECUTIVE OFFICE CHAIR (I 7277)

\$289.95

This office chair has a padded back and seat and a 5 star caster base for ease of movement.

Generously padded and fully upholstered in black leather-look fabric, this gaming-style high-back office chair is filled with features that make sitting at your desk a pleasant experience. The extra-tall backrest includes a pillow-like, integrated headrest, while the armrests flip up for convenience. The seat is extra thick, deep, and wide for a roomy feel. Perforations on the seat and backrest for ventilation help keep you cool. A lever underneath the swivel seat allows you to control the chair height and tilt function. A black 5-star base with casters lets you move around your workspace. With this incredibly soft executive chair, you'll be spending workdays and game nights in comfort.
