

HIGH BACK OFFICE CHAIR (I 7268)

$269.95

This office chair has a padded back and seat and a 5 star caster base for ease of movement.

If a good office chair is a necessity, this supremely comfortable executive desk chair feels like a luxury. This chair meets or exceeds ANSI/BIFMA performance standards for office furniture. This modern high-back executive chair has generous padding giving the headrest, flip-up armrests, and seat outstanding softness. The padded seat is also extra thick, wide, and deep to provide a satisfyingly roomy feel. The supportive, high backrest is wide and has a curved, ergonomic design that promotes good posture. The 360-degree swivel seat and 5-star chrome metal base with casters, offers smooth and easy mobility around your workspace. This adjustable-height chair with tilt control is upholstered in commercial grade, durable, stain and wear-resistant black mesh fabric that is breathable to help keep you cool and comfortable. Easy to assemble with full illustrated instructions included.
