Hudson sofas offer the look, long lasting durability and easy care of a fabric, crafted through extensive research and rigorously tested to ensure the highest quality. Each piece features sinuous springs in the seat to prevent sagging, 2.0 foam with dacron and a hardwood frame. The loveseat has a swivel table and a built in bluetooth speaker. The recliner is a manual swivel glider recliner.

Zero Gravity is one of the most comfortable positions to relax, read, watch tv, play video games, or even just spend time with your loved ones. It can help with pre-existing health conditions like back pain or neck pain from sleeping and can ease you into a full night of sleep.
