For a European vibe without the airline miles, look no further than the modern 4-drawer dresser from the International Lux® collection. With a mixed material composition of Satin Gold metal framing and a warm Sindoori Mango® finish, this dresser with open shelf radiates eclectic sophistication. The durable and elegant safety-tempered glass surface of this modern bedroom dresser accommodates up to a 65" TV weighing 70 lbs. or less. When not used with a TV, the glass top presents a dignified surface for displaying framed pictures, fragrant perfumes, or a jewelry box. This modern double dresser has an open shelf below the surface that provides an extra layer of space for storage or display for items like books, bedroom essentials or TV entertainment equipment. With four drawers that open and close on smooth metal runners for easy access storage, this metal and wood dresser is perfect for storing piles of pants, stacks of video games, or a collection of dining room décor.
