

***LOVESEAT - BLACK PU (8J12A95)**

COMING AUGUST 2026

Elevate your space with this chic 58" long mid century style loveseat.

Transform your living room into a stylish sanctuary with this chic 58" 2-seater love seat, designed for those who appreciate modern aesthetics and cozy functionality. Upholstered in comfortable and durable black leather look material, it exudes elegance while offering plush, cushioned seating for ultimate enjoyment. Pocket coil technology ensures supportive, long-lasting cushioning for every moment spent relaxing. Built to last, the loveseat features a solid wood frame and sturdy walnut wood legs, combining durability with everyday functionality. Square arms add a bold, geometric touch to the mid-century modern design, while decorative pillows included provide an extra layer of style and comfort.
