BOOKCASE - MYSTIC OAK (429253)**

~~\$299.95~~ \$229.95

---

Add style while considering the space in your home with this narrow bookcase from the Manhattan Gate® collection.

Storage with limited space in mind. Add style while considering the space in your home with this narrow bookcase from the Manhattan Gate® collection. This 2-shelf narrow bookcase features two shelves to store and display books, plants, décor and more! This narrow bookcase with drawers includes two file drawers with full extension slides to hold letter-size hanging files so your most important documents are organized and free of clutter. The lower drawer of this mid-century modern bookcase locks for security, and a safety mechanism allows only one drawer to open at a time. With strong and lightweight panel construction, a wall anchor for added stability, and powder coated metal frames and pulls, this narrow bookshelf has durability as well as style in mind. Finished in Mystic Oak®, this bookcase with storage upgrades your home or office with simple but elegant design.
