

MANHATTAN GATE COFFEE TABLE (430359)

~~\$399.95~~ \$299.95

A square coffee table sets a room apart. This Manhattan Gate® coffee table takes what you know about the centerpiece of a living room and gives it a new century lift.

A square coffee table sets a room apart. This Manhattan Gate® coffee table takes what you know about the centerpiece of a living room and gives it a new century lift. This modern coffee table is built with strong and lightweight panel construction that makes assembly and rearranging in your home easy and stress free. This square coffee table with storage features two storage drawers with full extension slides that holds remotes, pillows, small blankets, magazines, and whatever you need to hide or stow away. The top surface space of this coffee table with drawers is spacious enough for home décor, drink coasters, a candle, and more. Finished on all sides for versatile placement anywhere in your home, this modern coffee table with storage will look polished from every angle. A Blaze Acacia® finish takes this square coffee table from wow to WOW!
