

METAL BED FRAME - 755D (DOUBLE SIZE)

\$75.00

Metal bed frame with 2 locking casters and 2 regular casters - can attach a headboard and footboard to this frame - Double Mattress size.

This type of frame can be used if you want to install a headboard and footboard. It has nuts & bolts assembly which allows for a more precise adjustment than an interlock frame. Comes with 2 regular casters and 2 locking casters - which allows you to move the bed to clean underneath. The standard height is 7 1/4" from the floor. Frame fits a double mattress set.
