

MORGAN MAIN COFFEE TABLE W/STORAGE - WHITE (434923)

COMING JULY 2026

The refined classic styling of this coffee table with drawer from the Larkin Ledge® collection will bring not only a fresh look, but also plenty of functionality to any setting.

The white storage coffee table from the Morgan Main® collection brings a sophisticated style, with modern, geometric lines accented by gentle, rippling waves. Finished on all sides, with strong and lightweight panel construction, this white coffee table with drawers is easily moveable and incredibly versatile within your space. Deep sculpted ribbons of texture flow along each surface of the drawers, like tides on the ocean. This white contemporary coffee table features two drawers with full extension slides that provide easy storage access to all your living room staples - from blankets and throw pillows, to snacks, magazines, board games, or the television remote. Stash it all in this white coffee table with storage and forget about it until next time. Accented with gold hardware for a sophisticated pop of glamour, this white living room coffee table emanates classic style that will give your living space a look that is 100% chic.
