

MORGAN MAIN CONTEMPORARY NIGHTSTAND (436750)

COMING JULY 2026

Discover the sophistication of clean modern lines and the lull of seaside serenity with the single-drawer nightstand from the Morgan Main® collection.

Discover the sophistication of clean modern lines and the lull of seaside serenity with the single-drawer nightstand from the Morgan Main® collection. This elegant 1-drawer nightstand combines functionality with fashion, offering the perfect solution for storage and bedside requirements. This nightstand with open shelf has a smooth metal runner for effortless access to bedtime belongings and provides ample space to store modern conveniences. An open shelf expands storage space to ensure every essential is within arm's reach. The single drawer of this contemporary nightstand is adorned with elegant gold hardware for a pop of glamour. This sweet little side table adds a touch of elegance to any bedroom or living space all while providing extra space for an accent lamp, family photos, snacks and more. With its modern and stylish White finish on all sides, this bedside table with drawer exudes understated elegance, effortlessly complementing any style décor.
