

**MYSTIC OAK COASTAL DESK (427308)****\$349.95**

This computer desk from the Cottage Road collection is perfect for your home office needs.

A simple desk that packs a big punch: This desk from the Cottage Road® collection ships you off to a land far away with its stylish design and multi-functionality. This coastal desk features two drawers with full extension slides, perfect for storing extra sticky notes, a stapler, and that stash of candy. The lower drawer of this single pedestal desk holds letter-size hanging files so all of your most important documents are organized and easy to find. A lower open shelf for additional storage of books, binders, or home décor make this cottage desk the ultimate addition to your home. This home office desk with storage is finished on all sides for versatile placement—It will look great from every angle! Quick and easy assembly with a T-lock drawer system makes assembly a breeze. Finished in Mystic Oak®, this beach style desk will have you two steps away from the sea.
