Style and storage all in one.

Give your home a fresh new look with this cottage-inspired library with doors from the Cottage Road® collection. This charming tall bookcase features three spacious shelves that are ideal for storing and displaying just about anything -- from books and awards to decorative plants and knick-knacks. Its two adjustable shelves feature the ability to move and conform to different heights to give you flexible options to create space for items of all different shapes and sizes. Behind its double doors is a hidden storage area that includes an adjustable shelf for additional space to stow away any household items you don't want seen around your house. Its simple design and classic beauty make this library stand out in any room of your home - the living room, your office, down the hallway, or in the dining room. Finished in Mystic Oak®, this handsome bookcase gives your home the style you want with the functionality you have always needed.
