

PARK RIDGE END TABLE

COMING SEPTEMBER 2026

The Park Ridge End Table offers convenient storage at your side without sacrificing style.

The Park Ridge End Table offers convenient storage at your side without sacrificing style. A smooth-gliding drawer keeps everyday essentials within reach, while the open lower shelf provides added space for baskets, books, or décor—ideal for maximizing smaller areas. The neutral charcoal finish ensures easy coordination with existing furniture, and the decorative molding and stylized feet add subtle character, making this piece both practical and visually refined.
