

PARK RIDGE SOFA TABLE

COMING OCTOBER 2026

Perfect behind a sofa or along a wall, the Park Ridge Sofa Table balances slim proportions with smart storage.

Perfect behind a sofa or along a wall, the Park Ridge Sofa Table balances slim proportions with smart storage. Dual drawers with ball-bearing glides offer quiet, reliable access to stowed items, while the open shelf extends staging space for décor or storage bins. A neutral charcoal finish enhances versatility across rooms, and molded detailing with stylized feet adds architectural interest—making this piece as functional as it is stylish.
