This home office desk with storage from the Aspen Post® collection is the desk you need!

This home office desk with storage from the Aspen Post® collection is the desk you need for your home office requirements, and the style you want to freshen any space. A spacious drawer opens and closes on full extension slides and holds letter-size hanging files. Open storage features an adjustable shelf with plenty of room for additional files, reams of paper, and a myriad of office supplies. The top sturdy surface of this desk with open storage has enough room for a laptop, lamp, or a large computer monitor. With a T-lock drawer system and slide-on moldings for quick and easy assembly, this desk with file drawer will be stylishly storing away your office supplies in no time. This farmhouse style desk with drawer will be a perfect fit for any room: the guest bedroom, breakfast nook, dining room, or anywhere a writing space is needed. Finished in bright and neutral Prime Oak®, give your home office the updated look you've been dreaming of.
