

**RIVER RANCH NIGHT STAND (429626)****\$159.95**

For the perfect place to set your glass of water at bedtime, look no further than the country chic design of the River Ranch™ nightstand.

For the perfect place to set your glass of water at bedtime, look no further than the country chic design of the River Ranch™ nightstand. This nightstand with drawer features a storage drawer with metal runners and safety stops to hold your bedside essentials like the TV remote, your favorite book, your jewelry box, and more. The lower open shelf of this rustic nightstand provides ample amount of room for an organizing bin, home décor, or stack of books. Use the spacious top surface of this nightstand with open storage to set your nighttime tea, your alarm clock, reading glasses, and your phone. Finished on all sides for versatile placement, this farmhouse nightstand will look polished from every angle. Finished in a White Plank®, this nightstand finally gives you somewhere, other than the floor, to put your bedtime necessities.
