The Rogen Rustic Server combines vintage charm and practical storage for your dining space.

The Rogen Rustic Server combines vintage charm and practical storage for your dining space. Its rustic white finish adds a touch of timeless elegance, blending seamlessly with various decor styles. Built with a sturdy wood frame and acacia veneer, it showcases a beautiful natural grain finish that enhances its durability. Offering convenient storage, the server features three spacious drawers and a large cabinet, perfect for organizing dining essentials. The stylish X-shaped wine storage provides an accessible display for your favorite bottles. With dovetail drawer construction and ball-bearing glides, the drawers ensure smooth, long-lasting operation for daily use.
