Modern marble top coffee table.

The Rosamel Round Coffee Table is truly a showstopper! This elegant piece is effortlessly stylish with a clean color palette that makes it a timeless staple. The modern tone will compliment any shade of existing décor! Built with sturdy and premium materials, this is a coffee table that stand the test of time. Please note, this table features a natural marble top, therefore natural veining may vary. In order to protect the natural stone, it is recommended to utilize items like placemats and coasters to help prevent stains, scratches, and chips in the marble. End tables sold separately.
