

SANTA BARBARA END TABLE

COMING NOVEMBER 2026

Get swept up in the Santa Barbara End Table, where timeless refinement meets everyday function.

Get swept up in the Santa Barbara End Table, where timeless refinement meets everyday function. Crafted from rubberwood and MDF with a rich sap walnut veneer, it offers lasting durability and natural beauty. English dovetail drawer construction maximizes longevity, while the bottom shelf provides additional staging space for decor or essentials. Sleek silver metal hardware adds a modern touch, perfectly complemented by tapered legs that bring a refined mid-century design to your space. The Santa Barbara End Table is a perfect blend of elegance and practicality.
