Define your bedroom with this unique Scott chest.

The Scott 5-Drawer Gentlemens Chest is the perfect addition to your home! This chest not only offers spacious drawers for storage, but it also offers cabinet space with two shelves. The top drawer of the chest comes with black, felt-lining, allowing you to store away your more delicate belongings. Dark metal trim along the top of the chest lets the cabinet door move with ease as you get your items in and out. The white washed finish will easily pair with any existing decor you might have. Add this chest to your home today for a look that will never go out of style.
