COMING SEPTEMBER 2026

This stylish and functional sleeper sofa will instantly elevate your space!

If you are craving a combination of comfort and simple contemporary style, then this stylish and functional sleeper sofa will instantly elevate your space! Upholstered in a sophisticated dark grey fabric with two matching throw pillows, this durable sleeper sofa embodies modern elegance while ensuring durability that stands the test of time. With a generous 78" length, this sofa seamlessly transforms from a chic seating arrangement into a cozy convertible sofa bed, making it perfect for both lounging and accommodating overnight guests. You will appreciate the smooth pull-out mechanism on casters, allowing for effortless transitions from sofa to bed in seconds. The back and wide seat cushions have a pocket spring system topped with high density foam wrapped in Dacron, making it a supremely comfortable seating and sleeping option whether you place it in your living room, family room or office space.
