The square coffee table from the Hayes Garden™ collection is the next contemporary focal point of your living room.

The square coffee table from the Hayes Garden™ collection is the next contemporary focal point of your living room. Accented with stylish geometric hardware, this coffee table with drawer is finished in the minimalist, gray tone of Ashen Oak™. Featuring a quick and easy assembly with the T-lock drawer system, your new storage coffee table will be ready to use in no time. This coffee table with storage is finished on all sides for versatile placement anywhere in the home. A large drawer, equipped with full extension slides, gives this living room coffee table quick, smooth access to hidden storage within – a perfect place for blankets, coasters, or DVDs. An open shelf for additional storage is situated opposite the drawer, making a perfect spot for television remotes, books, or even photo display. With its minimalist design features, this storage coffee table offers a sturdy surface for drinks or board games, secret storage, and a chic, transitional style that will make it the jewel in the crown of your living space.
