Add a versatile storage solution for important papers and office supplies with this pedestal file cabinet from the Steel River® collection.

A lack of storage space can bring your office—and productivity—down. Add a versatile storage solution for important papers and office supplies with this pedestal file cabinet from the Steel River® collection. The file pedestal's roomy top drawer opens and closes on smooth metal runners for easy-access storage of miscellaneous office items like notepads, pens, and folders. The lower drawer with full extension slides can hold letter-size hanging files to keep all your papers safely organized. This file cabinet with casters can easily be moved anywhere. The spacious top surface provides additional space to store and display items like framed photos and decorative plants. For an extra touch of detail, this file cabinet pedestal features a textured, powder-coated metal frame and corner accents. Finished on all sides in Milled Mesquite™, this metal and wood file cabinet will keep your office feeling organized and clutter-free.
