An anywhere credenza that could easily be used in the office, the living room, or the entryway.

An anywhere credenza that could easily be used in the office, the living room, or the entryway. Does it exist? Luckily, yes! This credenza from the Steel River® collection blends seamlessly into any space you need more storage. This storage credenza features three drawers with full extension slides for office or craft supplies, small tools, and more. The lower drawer of this industrial credenza holds letter or legal size hanging files—Say goodbye to the document clutter! This metal and wood credenza will keep all of your most important documents organized and secure with a file drawer lock. Open storage and display includes two adjustable shelves for customization of your credenza to your specific needs. These shelves are the perfect place for board games, home décor, and your favorite seasonal candles. This credenza with drawers is finished on all sides for versatile placement in any room of your home. A textured, powder coated metal frame with corner accents and a Carbon Oak® make this storage credenza the perfect addition to any part of your home.
