A good pillow is more than fluff. It gently supports your head and neck. Relieves pressure. Keeps you cool and comfortable. The Deluxe Thick pillow is a thick and lavish memory foam pillow with the added benefits of Technogel® provides comfortable support for medium-to-large side sleepers or larger built back sleepers.

Rest easy on this classic shaped pillow that provides cool comfort and proper spinal support—it's like the best of both worlds! Plump and lavish, the Deluxe Thick is great for those with medium-to-large frames who sleep primarily on their sides.

Technogel's patented gel is molded seamlessly to a memory foam base in an innovative new design that harmonizes with your body to create the ultimate sleep system. But, feeling is believing. Stop by to discover something more extraordinary than the rest.
