The Tejon slim electric fireplace has an effortlessly stylish design that blends well into many types of interiors.

The Tejon slim electric fireplace has an effortlessly stylish design that blends well into many types of interiors. This modern indoor fireplace has a narrow depth, making it ideal for smaller rooms or apartments. Part of the Real Flame® VividFlame™ Slim Series, this space-saving electric firebox mimics the look of a real, flickering fire, but does not require a chimney or vents and conveniently plugs into a standard outlet. This free-standing indoor fireplace has a mantel with a real wood finish and features six flame colors, five flame brightness levels, adjustable thermostat, timer function and automatic safety shut-off. The electric fireplace insert provides supplemental heat for rooms up to 1,000 sq ft or the heater can be turned off so you can enjoy the comforting ambiance of a glowing fireplace year-round. Mantel, firebox with log set, hardware and remote control are included.
