

UPTOWN ACCENT CABINET (2228UM)

$1,199.95

This elegant cabinet will make a statement in any space.

Bring refined style and functional elegance into your home with this beautifully crafted Uptown cabinet. Designed with clean
lines and a rich, modern Umbra black finish, it features four framed glass doors that showcase your favorite décor, books, and
collectibles while keeping them protected and dust-free. The spacious interior shelving offers generous storage, making it perfect for a living room, dining space, or hallway. A warm Cinder wood-grain backdrop adds depth and contrast, turning everyday items into a curated display. Whether you use it to organize essentials or highlight treasured pieces, this cabinet blends seamlessly into contemporary and transitional interiors, adding both sophistication and practical storage to any room.
