

WESTLAND COFFEE TABLE

COMING JUNE 2026

Define your living space with the transitional style of the Westland Coffee Table with Casters in Almond.

Define your living space with the transitional style of the Westland Coffee Table with Casters in Almond. Its crisp, bright finish and unique silhouette are sure to make this table a statement piece in your home. Thoughtfully designed, four casters ease maneuverability, while the broad open shelf, resting under two drawers with elongated, silver handles, effortlessly extends staging area. With its neutral palette and clean lines, the Westland Coffee Table with Casters in Almond adds elegance and sophistication to your home.
