

WHITE FARMHOUSE TV CREDENZA (427551)

\$499.95

This modern farmhouse TV stand from the Sauder Select collection reminds you of simpler times with rustic charm and unique design.

News flash – sliding barn doors are a must-have! Give your home the style it deserves with the trendy design and charming good looks of this TV credenza from the Sauder Select collection. This farmhouse TV stand accommodates up to a 70" TV weighing 95 lbs. or less, making it the ideal spot to cozy up and watch all-day movie marathons with your friends. Change things up and use its spacious top surface as a place to display your favorite home décor items like decorative plants, knick-knacks and photos of your family. This TV stand with storage features hidden areas behind its two sliding doors so you can display the best and hide the rest. This TV stand with sliding doors includes three adjustable shelves that can move to different heights to create flexible storage options for items of all shapes and sizes. These shelves are perfect for video and gaming consoles or movies and board games. This credenza TV stand includes enclosed back panel cord access so you can keep all your wires neat and out of the way. Finished in Soft White® with Lintel Oak® accents, this one-of-a-kind TV credenza is just what your home needs.
