

WHITE/GREY OFFICE CHAIR (I 7225)

\$199.95

This office chair has an ergonomic shape and a 5 star caster base for ease of movement.

This mid-back office chair with fixed armrests in white has your back if you need a supportive, comfortable, and stylish desk chair. The backrest has a curved, ergonomic shape that promotes good posture. The seat is deep and extra wide with generous padding to offer a roomy feel. Grey mesh fabric that allows air to circulate covers the swivel seat and backrest. The backrest exterior features a ladder-back design that is both decorative and functional. The slats add visual interest and can be used as handles when you move this adjustable-height chair that has a 5-star chrome metal base with casters for mobility. Ideal for smaller spaces, this chair will bring streamlined style to your office. Recommended weight limit is 300lbs.
