The bookshelf footboard from the Willow Place® collection is a durable dual-purpose bookshelf disguised by classic style.

The bookshelf footboard from the Willow Place® collection is a durable dual-purpose bookshelf disguised by classic style. A beautiful way to keep your child's room organized, this bookcase footboard will store books, blankets, and favorite toys in the cubbyhole storage spaces of this cubby bookcase. The storage bins offer a convenient place for board games, stuffed animals, or a backpack. A 1" thick top makes this kids bookshelf both easy to assemble and durable. Two adjustable shelves can move to various heights, making room for a variety of items. Two large storage compartments give colored pencils, markers, and coloring books a place of their own. Finished on all sides, this cubby bookcase will look lovely from every angle. Finished in Grand Walnut®, this children's bookcase works well as a footboard for a twin bed or a freestanding bookcase, making it like a dream come true for any storage woes.
